Have your next meeting on top of Aarhus in our meeting room on the 10<sup>th</sup> floor! Get inspired by the local Aarhus creativity that hovers over the city's rooftops, let the ideas flow freely. Let the sight of the Aarhus Bay's blue water sharpen your concentration, and make decisions while watching the bustling human ants far below on the city streets.

No man can be wise on an empty stomach... And that is why we offer various lunch dishes as well as coffee/tea, water, fruit, and cake.

The meeting room is 30 m<sup>2</sup> and has room for 16 people.
